

FJS CONSULTING

CORPORATE PROFILE

An overhead photograph of two business professionals in a meeting. A woman in a dark grey suit is seated on a grey chair, leaning forward towards a wooden table. Her hands are resting on a silver laptop. A man in a dark suit is seated across from her, with his hands near the laptop. On the table, there is a black leather folder, a glass pitcher, and several glasses. The background shows a light-colored wooden floor and a grey chair.

ABOUT US

FJS Consulting is an advisory firm specializing in economic, social, financial and management consulting services. Our core team comprises of experienced consultants with strong academic and professional backgrounds. Our collective strength and personalized relationships with our clients has allowed us to work closely with esteemed private, government and international clients over the years.

OUR VALUES

CLIENT-CENTRIC

We believe that the value of our services lies in being able to provide personalized, intimate service to our clients. The most important step to developing a personalized solution is to understand a client's specific needs. We achieve this by ensuring that our clients are closely engaged with our consultants, every step of the way. The result is a customized solution, and a lasting relationship.

INNOVATIVE

At FJS, being productive is not just about finishing things on time. We believe in constantly refining our ideas and seeking better solutions. We pride ourselves on being able to analyze complex situations and come up with innovative solutions that are both practical and timely. The success of our engagements is based on a well thought-through planning process which defines our approach to each engagement. This ensures that there are no surprises along the way, and that each client stays happy.

PROFESSIONAL

We thrive on professionalism and never compromising quality for quantity. Hence, we accept only as many engagements as we are able to ensure dependable, quality service for. This also means that we will only accept work that we believe will enable us to provide value for our clients.

MANAGEMENT TEAM

HAMID SODIQUE

Chief Executive Officer

Hamid has over twelve years' experience in business management and business advisory services. In addition to advising businesses in strategy development and marketing, he has worked with a number of government departments and international developmental organizations.

Hamid is a visiting lecturer of marketing at the MBA program offered at Villa College of Maldives. He has an in-depth understanding of the tourism sector after having worked in the senior management of one of the largest hotel chains in Maldives. Hamid has previously held senior positions in the public sector including the Head of International Relations Section of the Ministry of Education and the Secretary-General of Maldives National Commission for UNESCO and has served on the Board of Maldives Pension Administration Office.

FAREEHA SHAREEF

Executive Director

Founder of FJS Consulting, Fareeha has over twelve years' experience in strategic management, financial and business planning, auditing, training and socioeconomic research. Fareeha has worked with major organizations such as the State Trading Organization Plc, Maldives National Shipping Ltd, Maldives Tourism Development Corporation Plc, Housing Development Corporation Ltd, Bank of Maldives Plc and international developmental agencies including UNDP, FAO, IFAD, WHO, the World Bank and the Asian Development Bank.

Fareeha is a Fellow Member of the Association of Chartered Certified Accountants (UK), and a member of the Institute of Internal Auditors (USA). She was formerly the President of the Certified Practicing Accountants of Maldives (CPA Maldives), and served on the Board of Directors of the Maldives Housing Development Finance Corporation Plc. She currently serves on the Board of the Maldives Pension Administration Office.

JUWAIRIYA SAEED

Managing Director

Juwairiya has over fifteen years' experience in business advisory services. Previously Juwairiya headed the Public Enterprise Monitoring and Evaluation Board (PEMEB) of Ministry of Finance and Treasury. She played a key role in public sector reform and restructuring of a number of SOEs including Maldives Industrial Fisheries Corporation and Hulhumale' Development Corporation Limited.

Whilst working in the public sector Juwairiya served on a number of SOE corporate boards appointed by the government including the Board of Island Aviation Services Limited, Housing Development Finance Corporation Ltd, the Maldives Ports Authority and as Chairperson of Dhiraagu. She currently serves on the Boards of the Maldives Islamic Bank and the Institute of Corporate Directors and Secretaries.

GHALY MURTHALA

Head of Marketing and Business Development

Ghaly was formerly Assistant Director at the Ministry of Tourism, Arts and Culture, and has a wide range of expertise in various facets of the tourism sector. He has considerable experience in strategic planning, tourism product development and human resources planning. He has also worked in a technical capacity in various aspects of tourism master planning, which has equipped him with valuable knowledge of the Maldives's hospitality industry.

Ghaly has also worked closely with various international organizations in his capacity as Head of International Relations at the Ministry of Tourism and has managed various internationally sponsored projects focused on business and value chain development across the Maldives. He is well versed in branding and marketing techniques, specializing in destination branding and promotion. He serves on the Dean's advisory committee for the Faculty of Hospitality and Tourism Studies of the Maldives National University.

AHMED FAYAZ

Head of Information Communications Technology

Fayaz has over thirteen years of experience in the ICT industry, and has led several major ICT related engagements across a wide range of areas, including web and graphic design, animation, networking, programming, security and hardware issues. He has worked with a number of public and private organizations, including the Maldives Tourism Development Corporation, the State Trading Organization, United Nations Development Programme, the Maldives Tourism Promotion Board, and the National Centre for Information Technology, Maldives.

Fayaz is a Microsoft Certified Systems Engineer, and also a Cisco Certified System Administrator. He is also experienced in the area of multimedia design, including 2D and 3D animation, character design and illustration.
